

January 4th, 2021

RiverPointe Post-Acute communication update related to Covid-19.

We are deeply committed to the health and safety of our residents and staff members. In an effort to provide the most current updates we will be uploading all Covid-19 related updates on our website RiverPointePostAcute.com.

Resident and Staff Status

January 4th. We currently have five total covid-19 positive residents in our dedicated isolation wing. During this round of testing 2 staff member's results came back positive. The residents with a positive covid result are in our isolation unit and our mitigation plan to manage positive cases is fully operational. Since January 1st, 2020, there have been a total of 94 residents and 53 staff members who have tested positive for Covid-19.

Thank you for your support and understanding during these challenging times. Please feel free to contact us if you have any further questions.

Sincerely,

Steve Baddley, NHA (916) 752-2443 cell phone

Mark Ocampo, DON (916) 512-7125 cell phone
