

January 6th, 2021

RiverPointe Post-Acute communication update related to Covid-19.

We are deeply committed to the health and safety of our residents and staff members. In an effort to provide the most current updates we will be uploading all Covid-19 related updates on our website [RiverPointePostAcute.com](https://www.RiverPointePostAcute.com).

Resident and Staff Status

January 6th. As a result of our 2 time's per week Covid-19 testing, two new residents and two new staff had positive test results. We currently have five total covid-19 positive residents in our dedicated isolation wing. We also have 8 staff members going through their quarantine.

The residents with a positive covid result are in our isolation unit and our mitigation plan to manage positive cases is fully operational. Since January 1st, 2020, there have been a total of 96 residents and 55 staff members who have tested positive for Covid-19.

Thank you for your support and understanding during these challenging times. Please feel free to contact us if you have any further questions.

Sincerely,

Steve Baddley, NHA (916) 752-2443 cell phone

Mark Ocampo, DON (916) 512-7125 cell phone
